INVITATION TO THE 30TH ANNUAL ILTS CONGRESS 2026

Dear Industry Partners,

We are pleased to invite you to join us at the 30th annual ILTS Congress in Geneva, May 6-9, 2026 - **Pushing Boundaries, Elevating Standards in Liver Transplantation..** We are committed to sharing multi-disciplinary innovations in the management of liver and biliary disorders requiring advanced therapy with transplantation. We hope that you can join us in person at the premiere global event in Liver Transplantation.

ILTS 2026 offers an unparalleled educational experience, showcasing the latest breakthroughs in liver transplantation care and cutting-edge developments in both clinical and basic science. Attendees will benefit from immersive hands-on workshops in machine perfusion and anaesthesia, critical care in liver transplantation, and ultrasound—designed to deliver practical, in-depth expertise. A comprehensive postgraduate course will be offered as a pre-Congress event, enriching foundational knowledge for emerging professionals. The scientific program will also feature specialized sessions on robotics, biliary disorders, transplant oncology, pediatric transplantation, transplant anaesthesia, machine perfusion, transplant infectious diseases, and the management of complex liver disease.

The ILTS Annual Congress connects the world of liver transplantation with other liver therapies and advances. We are proud of its reputation for the quality of science, its international flavor, and its strong multi-disciplinary approach.

By partnering with ILTS 2026, your organization will be positioned at the forefront of transformative education, cutting-edge science, and clinical excellence. Sponsorship provides unparalleled visibility, meaningful engagement with key decision-makers, and the chance to support the advancement of life-saving therapies.

Join us in shaping the future of liver transplantation. We encourage you to secure your sponsorship early to take advantage of your numerous sponsorship benefits and entitlements.

On behalf of the 2026 ILTS Congress Organizing Committee, we hope we can count on your support.

YOUR GENEVA EXPERIENCE: LOCATION, VENUE, AND STAY

Geneva

A Global Hub for Health & Innovation

- Located between Lake Geneva and the Alps, Geneva is a leader in diplomacy, finance, and medical innovation.
- Home to WHO, UN, Red Cross, and major research & digital health institutions.
- Ideal for professional events: compact, well-connected city with excellent public transport and international airport.
- Springtime in May offers mild weather (17–20°C / mid-60s°F), with long daylight hours and light rain.
- Enjoy scenic lakeside walks, world-class dining, and a rich cultural scene.

Palexpo

Premier Event Venue

- Palexpo is an ideal venue for international conferences due to its prime location next to Geneva Airport and excellent public transport links.
- With over 100,000 m² of flexible event space and state-of-the-art facilities, it accommodates large-scale exhibitions and high-tech gatherings.
- Its setting in a global diplomatic hub makes it especially appealing for international audiences.

Hilton Geneva

Comfort & Convenience

- The Hilton Geneva Hotel & Conference Centre is the designated hotel for Congress delegates, offering the perfect stay for those attending events at Palexpo.
- Located just steps from the venue and Geneva Airport, it offers spacious rooms, Geneva's largest hotel indoor pool, three restaurants, and extensive meeting facilities.
- With complimentary airport shuttles and public transport cards, it combines convenience, comfort, and upscale amenities for a seamless Congress experience.

ABOUT ILTS

The International Liver Transplantation Society (ILTS) is a dynamic organization that brings together members of a multidisciplinary group of specialists and health care providers who promote the advancement of science and the practice of liver transplantation.

The Society's goals are to:

- Promote research and other scientific inquiry into questions that relate to the practice of liver transplantation.
- Promote teaching excellence in liver transplantation.
- Advocate for issues, programs or projects that impact favorably on liver transplantation research, teaching, or program development.
- Collaborate with existing public and private organizations to promote and encourage education and research in the science and clinical practice of liver transplantation internationally.

PRELIMINARY PROGRAM TOPICS

Advances in Machine Perfusion

Alternative Ways to Increase the Donor Pool

Biomarkers in Liver Disease and Liver Transplantation

Transplant Oncology

Robotic Liver Graft Retrieval and Transplantation

Alcohol-related Liver Disease (ALD)

MASLD / MASH

Managing Infections in the Donor and the Recipient

Defining the Best Immunosuppression

Enhanced Recovery After Transplantation

Transplant Anaesthesia

Living Donor Transplantation

Acute Liver Failure

ILTS SPECIAL INTEREST GROUPS (SIGs)

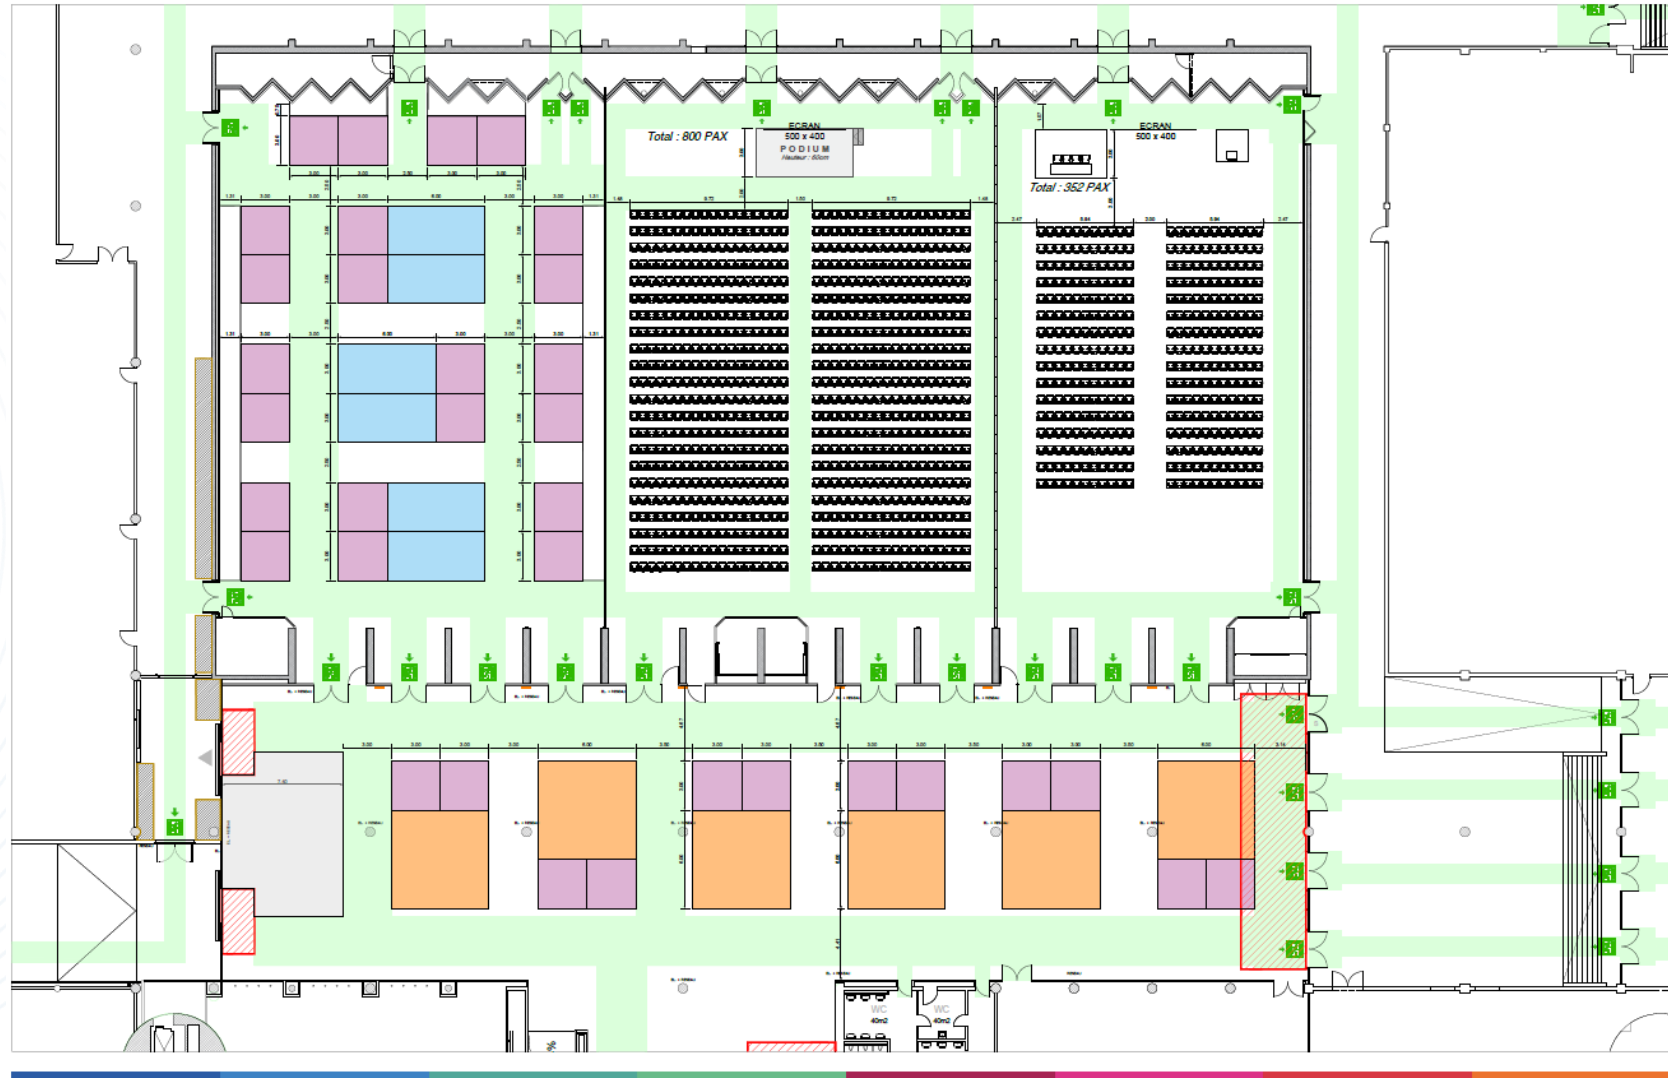

ILTS Special Interest Groups (SIGs) bring together clinicians, scientists, and allied health professionals with shared interests in key areas of liver transplantation. These groups support focused collaboration, education, and research in specialized topics across the field.

Special Interest Groups:

- Acute Liver Failure
- Advanced Techniques in Hepatobiliary Surgery
- Alcohol-related Liver Disease (ALD)
- Cardiovascular Topics in Liver Transplantation
- DCD Preservation and Machine Perfusion
- Infectious Diseases and Liver Transplantation
- Living Donor Liver Transplantation
- Liver Transplant Immunology
- Liver Transplant Oncology
- Precision Medicine and Biomarkers in Liver Transplantation

EDUCATION

Pre-Meeting & Sponsor Symposia

Deliver a highly sought after **ILTS INDUSTRY SYMPOSIUM** where global leading experts and innovators present the latest cutting-edge science and technologies shaping the future of liver transplantation.

This session offers a unique platform for industry partners to showcase advancements in surgical tools, diagnostics, therapeutics, and digital health—driving progress in patient care and clinical outcomes.

Attendees will gain valuable insights into emerging trends and could engage directly with thought leaders and product specialists.

Price for Standalone Symposia:

- **Pre-Symposium: \$90,000**
- **Parallel Lunch: \$65,000**
- **Non-Parallel Breakfast or End of Day: \$27,500**

Note: First Right of Refusal for these opportunities will be reserved for ILTS sponsors until January 30, 2026.

Parallel & Non-Parallel Symposia include:

- 60-minute time slot
- Session hall, minimum 250 participant seats
- Audio Visual Package – microphone, projector, screen, technician
- Promotion – emailer, website, social media, mobile app, onsite signage
- Symposium rehearsal, 60-minutes – subject to availability
- Logistical planning support – provided by ILTS Secretariat

Exclusive Pre-Meeting Symposium includes:

- Up to 3-hours
- Session hall, minimum 500 participant seats
- Audio Visual Package – microphone, projector, screen, technician
- Promotion – emailer, website, social media, mobile app, onsite signage
- Symposium rehearsal, 60-minutes – subject to availability
- Logistical planning support – provided by ILTS Secretariat

Sponsors to provide:

- Educational content development
- Speaker selection, registration, travel, accommodation, and honorarium
- Food & beverage selection, coordination / payment via ILTS Secretariat

Optional add-ons (coordination / payment via ILTS Secretariat):

- Symposium host / greeter
- Lead retrieval
- Enhanced audio visual / production
- Session recording

EDUCATION

Biotech & Innovation Knowledge Hub

Participating in the **ILTS BIOTECH & INNOVATION KNOWLEDGE HUB** offers a unique opportunity to showcase **innovations** in **biotechnology** and **cutting-edge** products that are driving the product development environment from both a pharmaceutical product and device perspective.

These interactive sessions are designed to inform delegates about the present state of science in liver transplantation with a goal of increasing understanding of the foundations of these new innovations. This immersive experience enhances attendee engagement, fostering deeper understanding and appreciation of your technology.

Centrally located in the Exhibit Hall, these sessions provide an excellent forum to build relationships, exchange ideas, and explore new business opportunities in a dynamic setting.

Price: \$7,500 USD each

Presentation includes:

- 20-minute time slot
- Knowledge hub in exhibition hall, minimum 50 participant seats
- Audio Visual Package – microphone, projector, screen, technician
- Promotion – emailer, website, social media, mobile app, onsite signage
- Logistical planning support – provided by ILTS Secretariat

Sponsors to provide:

- Educational content development
- Speaker selection, registration, travel, accommodation, and honorarium

Optional add-ons (coordination / payment via ILTS Secretariat):

- Food & beverage selection
- Session host / greeter
- Lead retrieval
- Enhanced audio visual / production
- Session recording

EDUCATION

Workshops hosted at the Swiss Foundation for Innovation and Training in Surgery (SFITS)

ANAESTHESIA WORKSHOP & HIGH-FIDELITY SIMULATION + TEE COURSE

This workshop allows participants to have hands-on practice on simulators to learn about anaesthesia aspects of liver transplantation, in addition to exciting talks and case discussion during the session.

ROBOTICS AND ULTRASOUND WORKSHOPS

Two hands-on workshops taking place in Palexpo offering immersive learning opportunities in emerging technologies and clinical tools.

A robotics workshop will introduce participants to advanced techniques and applications relevant to liver transplantation, while an ultrasound workshop will provide practical training focused on diagnostic and procedural imaging.

MACHINE PERFUSION WORKSHOP

Back by popular demand, this hands-on workshop is a highly sought-after educational experience.

The program brings together leaders in perfusion technology, offering sponsors a unique opportunity to demonstrate their machines directly to clinical specialists and decision makers. Participants rotate between stations for live, in vivo training.

Workshops include:

- (1) tabletop exhibit at SFITS
- Promotion – emailer, website, social media, mobile app, onsite signage
- Logistical planning support – provided by ILTS Secretariat

Price: \$25,000 USD for Standalone Workshop

SPONSORSHIP ADD-ON ITEMS

VANGUARD RECEPTION / VANGUARD AWARDS CEREMONY

The Vanguard Reception is a two-hour reception held on Wednesday, May 6. Attendees can enjoy beverages and light snacks while networking.

Signage will be placed throughout the event near food and beverage stations in accordance with SAPI code. At your company's expense, you may provide plates, cups, and napkins with your company name, booth number, and logo. ILTS must approve artwork prior to production.

Price: \$25,000 USD

NETWORKING LOUNGE

We provide our delegates a permanent space to sit down, to connect, work, and recharge during the hustle and bustle of busy Congress days. The lounge will be located in the exhibition hall.

Benefits Include:

- Company Lounge branded with sponsor's logo
- Sponsor's logo will appear on directional signage inside the Congress venue
- The area will be branded with the Sponsor's logo, in cooperation with the Organizers.

Price: \$25,000 USD

SPONSORSHIP ADD-ON ITEMS

CONGRESS MOBILE APP SPONSOR

Sponsoring the ILTS 2026 Mobile App offers an impactful presence and strong brand recognition. Savvy marketers are eyeing app support as a key part of their marketing strategy. The **ILTS 2026 Mobile App** is free for meeting participants.

The ILTS 2026 Mobile App allows delegates to engage and network with their peers, exhibitors and sponsors anytime throughout the congress.

Benefits Include:

- Branded in-app advertising
- Marketing, promotion, digital and print recognition
- Logistics management

Price: \$20,000 USD

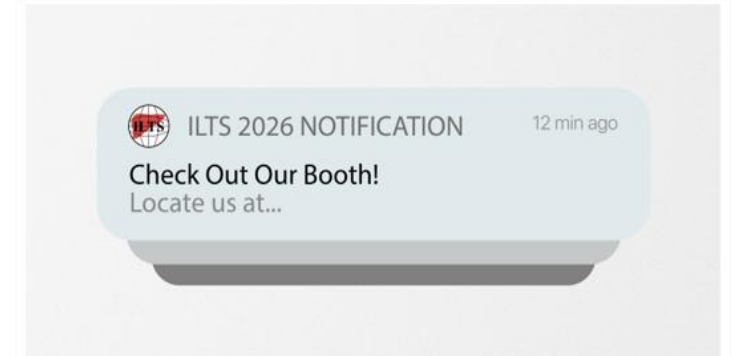

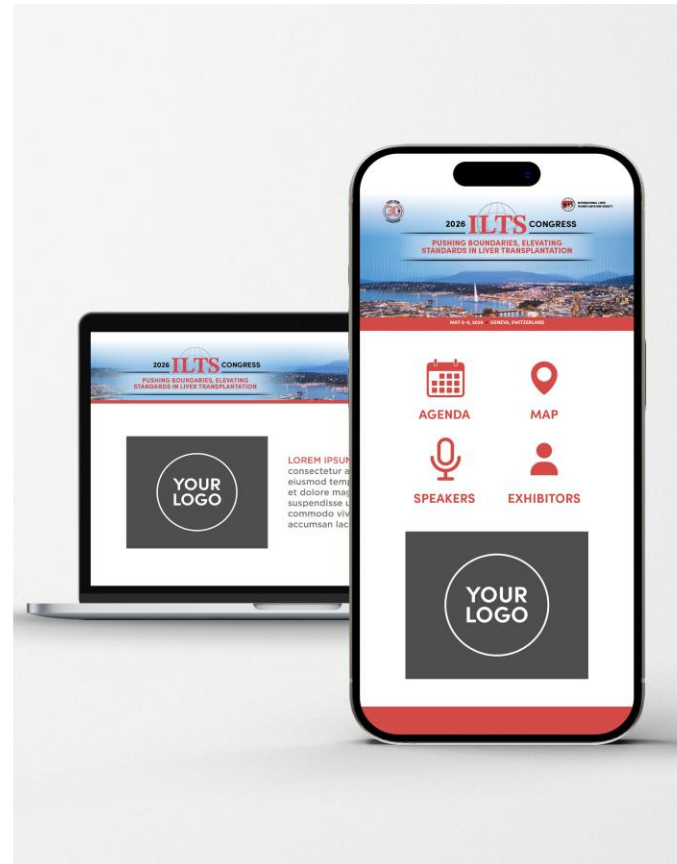

WIFI CONNECTION

Brand the WIFI password to enhance visibility and engagement. Delegates will use it to connect throughout the event.

Benefits includes:

- Customized WIFI password for use by all attendees
- Marketing, promotion, digital and print recognition
- Logistics management

Price: \$10,000 USD

CONGRESS APP – PUSH NOTIFICATION

Promote your session or booth activity through a timed notification message during the Congress.

Benefits Include:

- Customize your message (up to 140 characters) to send to all delegates as a pop-up notification on their smartphones
- Send a session reminder or an invitation to encourage attendees to visit your booth

Price: \$950 USD each

SPONSORSHIP ADD-ON ITEMS

SUSTAINABLE WATER BOTTLES

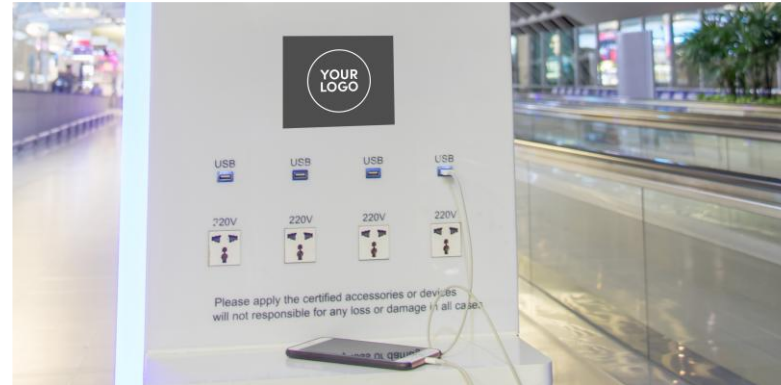

Reusable water bottles reduce plastic waste, promote eco-friendly habits, and encourage attendees to stay hydrated sustainably at the Congress.

Distributed to all delegates when they pick up their registration package. Branded water bottles (ILTS 2026 + sponsor logo) are to be provided by the sponsor.

Benefits Include:

- Water bottle distribution
- Branded hydration stations
- Digital and print recognition
- Logistics management.

Price: \$15,000 USD

CHARGING STATIONS

The Congress will feature two charging stations which can be completely branded.

Extend the visibility of your brand or product across the Exhibition Hall and at the same time help participants stay connected, plugged in, and charged up throughout the entire Congress.

Benefits Include:

- Company branding on the charging station.

**Price: \$10,000 USD
per charging station**

LANYARDS

Each delegate, speaker, and sponsor must wear lanyards for the meeting duration.

Benefits include:

- Branded lanyards
- Lanyard distribution
- Digital and print recognition
- Logistics management

Price: \$20,000 USD

SPONSORSHIP ADD-ON ITEMS

E-POSTER GALLERY

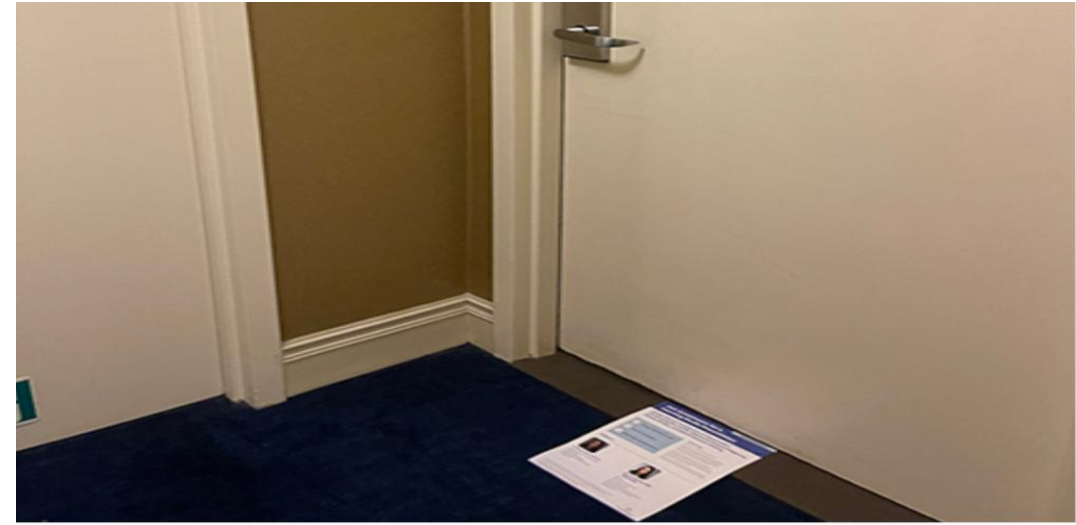

Leading experts will showcase groundbreaking research and innovative advancements in liver surgery.

This digital format allows for an interactive and engaging experience, providing attendees with the opportunity to explore detailed findings, ask questions, and network with researchers.

Benefits include:

- Sponsor recognition for E-Poster Exhibition
- Sponsor recognition in Mobile App
- Marketing, promotion, digital and print recognition
- Logistics management

Price: \$15,000 USD

HOTEL ROOM DROP

Make a direct and memorable impact by delivering a branded item or printed message to attendees' hotel rooms.

This exclusive opportunity allows your organization to share key information—such as an invitation to visit your exhibit booth or attend a sponsored symposium—right where attendees start and end their day.

Printed materials to be provided by the sponsor. ILTS Congress Secretariat to manage distribution and logistics.

Price: \$2,000 USD per drop

SPONSORSHIP ADD-ON ITEMS

ILTS PHOTO BOOTH

The photo booth always generates a lot of interest and traffic from Congress participants. It is a perfect opportunity to reach out to delegates creatively and easily. Have your brand associated with enthusiastic delegates who will share their moments with their colleagues and friends.

Benefits Include:

- Company Your logo included on each printed photo strip
- Recognition on the Congress website
- 5 additional Exhibitor badges
- Possibility to display promotional materials at the photo booth stand (sponsor is responsible for design, production, and delivery)

Price: \$15,000 USD

PROFESSIONAL PORTRAIT STUDIO

Position your brand at the intersection of professionalism and personal connection by sponsoring the onsite Portrait Studio.

Attendees will receive complimentary, high-quality headshots from a professional photographer — a highly valued takeaway for use on LinkedIn, institutional websites, and more.

Benefits include:

- Branded signage at the lounge

Price: \$15,000 USD

EMAIL BANNER ADS & EMAIL BLAST

EMAIL BANNER ADS
